

# What is Carpe Librum?

We are a fundraising book store for local education nonprofit, Turning the Page.

First, we collect donations of gently used books, CDs, DVDs, and vinyl.

See our donation policies here: [turningthepage.org/get-involved/donate/](https://turningthepage.org/get-involved/donate/)

Next, we organize sales throughout the DC area or bring them to our pop-up locations.

See our events calendar here: [turningthepage.org/events/](https://turningthepage.org/events/)

We bring you gently used items for \$7 or less! We give used books that might have gone to a landfill a new home.

Proceeds from these sales go to funding Turning the Page's programming—including parent workshops, author visits, and free books for families to build home libraries.
